ASILOMAR CONFERENCE SPONSORSHIP

ASMS hosts three small conferences each year: Asilomar Conference (October), Fall Workshop (November), and Winter Conference (January). They range in size from 80 – 120 participants. Each small meeting is highly focused on a single topic and highly interactive. Corporate members are invited to support one, or multiple, small meetings.

Because the duration and setting vary there are unique sponsorship opportunities for each meeting. To learn more about a specific conference program, please visit www.asms.org/conferences, then select Asilomar Conference, Fall Workshop, or Winter Conference.

TO SIGN-UP AS A SPONSOR FOR THE ASILOMAR CONFERENCE, please complete this form.

Please note: *There is **no** conference registration included with any of the sponsorships. If a company representative attends, they must be registered for the meeting. If there will be no company representative at the meeting, arrangements can be made with the ASMS office to receive and display your materials.*
